The Story:

Despite booking an appointment on phone I was made to wait for about 15 minutes as she was busy with another client. Donna seems to be a bit too mechanical, offers no GFE. Started with a boring massage on my back and followed by OW and then to the main event. She seemed to be in bit of a rush as the over all stay wasnt even 20 minutes. In between she also had to rush to the toilet, a bit unprofessional in my opinion. Overall I was quite disappointed with this outing.
