The Premises:

Very clean and tidy house not far from M32 junction 2. Safe parking available outside or in a side street.

The Lady:

VERY pretty Tai lady. Small in height with everything else very well sized. Boobs to die for and nipples like little organ stops. Her pussy is well trimmed and the sweetest I've EVER tasted, Honest. She's clean and smells wonderful.

The Story:

I was greeted at the door with a kiss and led upstairs. She asked if I wanted a drink and disappeared to get it while I undressed. She returned dressed in sexy underwear and started to play with my old man which quickly came to attention.

I then spent the best hour of my life with her playing and sucking my cock and me sucking her nipples and licking her pussy which was clean and sweet.

This lady is VERY VERY good at what she does, please treat her well and you won't be disappointed.
