The Premises:

Very smart flat in S Kensington. Very safe area near Nat. History museum and close to Gloucester Rd tube. Nice and clean with lovely bedroom and good shower.

The Lady:

Tall, slim stunning blonde with great tits and ass. Very smooth skin and mostly shaven pussy.

The Story:

Very good GFE with lots of DFK and OWO and reverse oral. Her pussy was fantastic and Jackie came two or three times with increasing reaction. Whilst giving me OWO Jackie licked all the way down my cock all around my balls and then on to my asshole where she spent an awesome ten minutes or so rimming me and wanking my cock into submission. When she sensed I was about to explode she took me deep into her mouth and sucked me until I came with a huge shudder and torrent into her mouth. After 15 mins I was eating her out again and ramrod erect and after more OWO we had fantastic multi position sex before I came for a second time. The very best GFE without ever being a PSE and this is my preferred type of girl. Absolutely brilliant visit and I will return.
