The Lady:

One word....STUNNING! Around 5'5, long black straight hair, 34d size 8-10 dress, beautiful face, Brazilian.

The Story:

I sorted out the finances with the friendliest maid in Britain before I went up. Kimberley shut the door behind us and pulled me to her, started snogging my face off and pulling at my clothes. Toof my shirt off and undid my belt and literally threw me on to the chair. Knelt between my legs and got my trousers off. She then opened my legs and lifted them and spat up my bum!! She then started licking and sucking my arsehole before getting her tongue up there - wow!

By this time my cock is rock hard and she starts on him, taking the whole length balls deep. What happened next was something out of a porno film, depththroat, gagging, more rimming, she took 4 fingers, sex in doggy and cowgirl before I decided the time had come. I got her to kneel on the floor, hands held behind her back, i pulled her mouth open and sunk my cock deep inside, this went on for 3-4 minutes before i shot my load all over her face, tongue and tits.

One of THE best punts ever, she was here around 2 years ago and left so I would recommend getting there sooner rather than later just in case she goes on her travels again.

10 out of 10.
