The Premises:

The flat is not far from Paddington was not a problem to find it, inside was not bad, maybe a bit messy but nothing out of ordinary.

The Lady:

They are both nice, the pictures are retouched however, they are not too far from the truth, unfortunately the problem was not with the look, it was with the attitude, frankly, awful.

The Story:

I was looking for an out of the ordinary experience, something special, my budget is in the 250-300 range, i said to myself, go for two girls, two for the price of one, BIG mistake. Before i gave them the present, they were nice and enthusiastic, once we went on the bed, they became cold and unresponsive, i asked the agency about the services, in the end nothing was provided, fingering, lesbian show, cim, anal, nothing, they didn't do anything, just looked bored beyond relief.; Somehow, i managed to have an abysmal session in mish with Roberta then i left before to lose my temper. I called the agency to complain but they didn't even bother to pick-up.
