The Story:

Amazing - This woman is a legend and a babe all rolled into one.

Arrived on site - sorted the finance, got undressed

She rubbed talc on my front then played with my ball and gave me a soothing blow job.

What a job she did.

She then went on top, we played around whilst making love.

We swapped positions and eventually I came and before I knew it , time was up.

This woman has a couple of secrets to tell you - I cannot disclose.

One thing is for sure - I will be going back for sure.

Thanks Emma
