The Premises:

Nice clean flat just 2 mins walk from Paddington station. Nice safe area with secure entry system. Very discreet. Shower and clean towels available.

The Lady:

Abbie is a very fit, slim and hugely attractive young lady. She is very well educated and speaks English fluently, as well as several other languages. She is petite, agile and can be athletic if required. Beautiful firm boobs, nice tight bum - in a phrase, she's 'drop dead gorgeous'!

The Story:

Abbie greeted me in sexy lingerie and we had a glass of wine before taking an erotic shower together. In the bedroom, Abbie performed the best oral I have ever experienced, so good that I had to stop her before I ended prematurely. We then had sex in every position known to me and in a few I didn't! Nothing was too much trouble for Abbie who really went out of her way to ensure that I was having a good time. She appeared to be enjoying herself as much as I was, especially when we did reverse oral. A new experience for me was when she suggested some anal play on me - never done it before but WOW! After 20+ years of punting, I thought I had seen it all but this girl has really opened my eyes. Totally forgot I was with an escort and will be saving up for a return visit ASAP.
