The Premises:

Nice apartment above a estate agent,easy parking with a discreet side entrance and intercom buzzer.

Tazmins place is warm clean and sort of homely not just a working flat.

The Lady:

Taz is slim about a size 8,long dark hair and a very Pretty face. She has long legs topped off with the sexiest ass I have seen in a long time.

She has a smooth and clean shaven pussy that cries out for attention, her tits are pert and just the right size for her build, not massive but not tiny.

The Story:

I had seen Taz earlier in the week for a short appointment and had enjoyed myself so much I had to return.

After a shower I went to the bedroom were taz was waiting for me dressed in high heels and stockings (at my request again), she would look sexy in a sack cloth believe me.

Didn?t bother with a massage just went in for the kill, I couldn?t resist kissing and tasting her sweet smelling pussy and that is how we spent most of the time, with my face either buried between her thighs or the cheeks of her ass. Taz enjoys receiving oral and when we got into a 69er she returned the favour without hesitation.

By this time my tongue was aching so it was on with the rubber hat and she climbed on top, so here I was lying on my back with a young beautiful woman sitting astride me giving me the fuck of my life with her pert tits and hard nipples ready and waiting to be sucked, gives me a hard on just thinking about it.

After a while we change to a doggy position just so I could look at her ass while I fucked her wet pussy, we finished off in missionary so I could look at her face has I shot my load.

I don't often write field reports but every now and again i come across a girl that has to be written about and Taz is one of those.
