### The Premises:

Much reported on - 'cos it's a bit different: up in the lift from a dedicated car-park to a suite of well-appointed rooms (video in all).

### The Lady:

Celina: just how I like them - a very curvy 18yo of part-Indian origin (though I wouldn't have known this unless I'd been told, since she's pretty pale-skinned), and with long legs and 36D natural boobs. Nice face, longish dark hair (with bits of blonde in), stockings and pointed high heels; also with lovely compact pussy- lips (old-fashioned rose cf. butterfly).

Donna: a young Spaniard, also with long dark hair, but slimmer, also in stockings and highs, and with smaller - though nicely pert - tits. She is definitely one horny little minx.

### The Story:

I have had quite a few sessions with Donna + a colleague, and she has always been good. Donna, as I said, is very sexy, and does a great job, incl. OWO for the standard surcharge here of ?10. She will do a particularly sexy strip, if one asks nicely!

Celina is completely new to the scene. I was actually her first customer, 2 or 3 weeks ago. I do like that, but I have to say that she was rigid with nerves on that occasion, and most of the action came from her duo partner Della. However, I have so much wanted another go at it with her, but she has not been back here at Blue Ice since, and I feared the worst: that she'd decided that this business wasn't for her. Therefore, I was pleased to be told that she was doing a shift this day. And she had definitely overcome her newcomer's apprehension!

They both did a strip, in front of the large wall-mirror, then both did OWO and FKing. For the main event, I took Donna in cowgirl and reverse, and Celina in mish and doggy (wherein I could see, in the mirror, those fantastic tits swinging). Finally, a good load over their four boobs, and a cool-down

massage to send me on my way. Good company and good fun.

I understand that Celina will do shifts on Sat., Sun. and Mon. - I'll be goin g back to see her tomorrow - and that Donna is here until mid-December before going to Spain for Xmas, then returning here after a few weeks.
