### The Premises:

clean downstairs flat, sparsly funished. Area was very quiet and i felt very safe, inside the house and outside, even leaving my new car parked out on the road.

### The Lady:

Let me say that Katelyn is a fully functioning t/s! This was my first visit to a t/s and she didn't dissapoint. She has a fantastic figure, realy nice suckable tits, 4" cock which tastes very nice. She stands at about 5'5, 34b tits, size 8-10 and in her early twenties.

### The Story:

Katelyn had on a babydoll and black stockings. I asked her to take off the babydoll and we lay on the bed together. We kissed, sucked each other(she's a great cocksucker), then it was condom on my, some lube on my cock and in and around her arsehole. I entered her very tight arse, fucked her whilst i kissed her and sucked on her tits. When i was about to cum i pulled out, whipped the condom off and wanked off over her cock and balls. All in all, a very enjoyable first time with a t/s.
