The Premises:

Nice new apartment. Easy to find in central Leeds. Parking available nearby.

The Lady:

Early 30's,tall,beautiful smile and a cracking body!!.The photos on her website are good but she is even more beautiful in reality.

The Story:

I arranged the meeting well in advance and she sounded really friendly on the telephone. I am not a regular punter but she made me feel at ease immediately. We chatted for a while and there is no doubt that this is a very intelligent and witty lady.

My experience with Claire after that was everything I could have wished for and more !! In fact the whole hour spent with Claire will rank among one of the most special hours in my existence.

I will definitely be coming back to see her as soon as possible.
