The Premises:

The place looked clean but a bit untidy. Parking outside on the drive. Ground floor flat went in by back door.

The Lady:

Alex came to the door only in a G. string. Very nice looking with blond hair and nice firm titts.

The Story:

Alex took me into the bedroom and asked me to get undressed. Came back after two min. and gave me a nice massage. She let me kiss her then she gave me oral with a rubber on. She let me push a dildo into her fanny and lick her clit. We had sex in mish and doggy, then shot my load in mish. I will not go and see this lady again as she was rushing me all the way, a typical pro. Very hard to find a good escort in Blackpool.
