The Premises:

Her apartment is the well known chelsea building which has become a landmark of sort for london punters. Its a small apartment but cosy enough.

The Lady:

She is not as young as she claims on the site but young enough with lucious mouth watering boobs and tasty neatly shaved pussy and divine mouth.

The Story:

When i knocked on her appartment and when she opened the door she looked divine. I brought some wine which we drank and we had some DFK. I had a quick bath and suprisingly clean towels to dry. When i was back she was lying nacked on bed like a greek goddess. She welcomed me with her comes to bed eyes. We started off with a nice long owo and she played well with her tip of tounge. The OWO was smooth and i could not resist myself and had a long steamy sex session in all positions with almost true moans. The thing is she encourages you to go deep and fuck her which really eggs you on. Any way one hell of a girl. Wish iam a millionare to atleast afford her everyday or atleast marry her-lol
