The Lady:

Chantel is as stunning as her photos on the website, young, cute, and extremely sexy. I asked her to wear the clothes from the photos and the agency dealt with this request effortlessly and the girl was dressed as required when I arrived.

The Story:

Chantel is new in London and was a little shy at first but opened up very quickly. Her bj was very good and the sex was highly energetic and in many positions. Everything with her just flowed naturally and it didn't seem like I was with a working girl. She is young and just has fun with her work and this really heightened the mood and energy in the room. I came twice with her and enjoyed a massage but would have liked to stay longer as I really liked her but was unable to extend the booking further as she had another client. Not to worry though as I will be back soon and can't recommend her enough.
