The Premises:

As previously described not the nicest external appearance but don't be put off by this. Discreet alley round the side of a DIY store with lots of free parking

The Lady:

Very natural bubbly girl with lots of experience and the most gorgeous smile. Lovely figure with bumps all in the right places. Hopeless with measurements...lets just say yummy.

The Story:

A very enjoyable half an hour. Happy to respond to specific requirements within reason. Very relaxed throughout the session with lots of eye contact and that lovely smile each time. No rushing and interesting chat before and after.

Will be going back on a regular basis...terrific VFM with a sexy girl who loves her job.
