### The Premises:

Trisha's place is in an anonymous and respectable part of Moortown. It is easy to find, with secure parking, and the entrance to where she works is discreet.

### The Lady:

Trisha's pictures on the website really don't do her justice. She has a very naughty look in her eyes, with proved amply justified during our time together. She has a curvy figure and a fantastic pair of boobs. Her skin is very soft, and she has very kissable lips.

### The Story:

I had been meaning to see Trisha for some time, but only got around to making a booking recently - I'm very glad I did. When I arrive at her place, I was stressed from a busy day at work, so I asked if I could take a shower first to wind down. This I did, and when I re-entered the bedroom, I requested a neck massage as a relaxer before we got down to business. I lay face down on the bed, naked, while she proceeded to massage my back and shoulders. By degrees, however, her hands worked their way down onto my legs and buttocks. I felt her spreading my arse cheeks and then, to my delight, she began to rim me expertly. It was very erotic to lie there, while a sexy woman took control. I have never had my arse worked over like before, and I was just in heaven. She rimmed me properly, teasing my anus, probing it, and licking my balls and perineum.

After a while she asked me to turn over and proceeded to give me a fantastic blowjob. All the time, her expert hands fondled my testicles and anus. She then rolled my over onto my stomach again, and I complied willingly. More rimming continued, and she teased my arse again with a variety of toys, before eventually wanking my cock over her breasts.

I have been with few working girls, but I have never experienced such a relaxed post-orgasm chat as I enjoyed with Trisha. We lay on the bed and chatted for what seemed ages, in the most natural and comfortable way imaginable. She is a great lady, and I will certainly be returning.
