### The Premises:

My place a good room in a decent hotel so no problems

### The Lady:

Slightly Dark skinned or tanned. Very slim and well proportioned. Not quite as good skin as the pics on the website though

### The Story:

I would describe this lady is seasoned pro. Not my type at all unfortunately. She wanted to be in control all the time and admitted that to me. She was proud of her oral skills and to be fair, she was very good at owo

The condom she provided was very tight and ruined things for me, so a hand job had to complete things.

I have ticked the recommend box purely because she was fairly good looking and some people might like her type.
