The Premises:

Anonymous door in busyish street. Once inside it was all clean and tidy and decorated in the normal massage parlour style. Shown into a room with a tv on and the ladies available came in in turn. The manager (Tony) showed me into a room with bed and a bath and I awaited Donna. There was a large mirror over the bed head. Soft music playing. The room was nice and warm which was nice as it was bloody freezing walking from my car. Parking is free on the street at this time of night.

The Lady:

Her photos on IM's site are accurate. Donna has a home counties accent, and was very chatty. Nice firm bum, and a nice pair of natural tits. Donna does not shave 'down below' which for me was a nice surprise

The Story:

started with a nice back massage. I love a good massage and after a long day it was really welcome.

then some kissing and cuddling, and playing with each others nipples. Then on for some nice oral, including a nice 69 then a finish in cowgirl.

Lovely time with a lovely lady - thanks Donna
