### The Premises:

Small terraced house just near Matalan in Luton, clean very steep steps to the bedrooms, friendly maid.

### The Lady:

Stunning would be an understatement, presented with a choice of two the other was superb but I def chose the right one! Followed her perfect arse up the stairs. Asked for massage plus toy show ,extra ?10 for the show. She had the most perfect figure, well spoken and put me at ease. Started with a massage followed by oral, she has an amazing large twat which I sucked for all I was worth gave her a rimming too finished in mish.

### The Story:

Absolutely made my day the standard of girls was high will def be back again good value for money
