The Premises:

Great place, as usual, always lovely and clean. Best thing, it's absolutely discrete.

The Lady:

Sonia it's a beautiful girl, petite, cute, but all woman. She knows pretty well how to please a guy, and, indeed, i was pleased.

The Story:

Had a very stressful mornig, i went to see Sonia during my lunch break, i really needed to relieve the tension, she was wonderful. Had a nice chat with her then we went down to the game, i asked her for a massage and she provided me a very nice one. Her oral technique was very good too but she gave her best during sex, had her in different positions and she was good. I needed a bit of love and i had it, for just 140 quid she sent me back to work like a new man. Thanks Sonia
