The Story:

Got my clothes of, had a nice massage, we started talkin bout politics and history of all things. She has a nice bubbly personality, and likes to joke around. After hour and half of talkin! she gave me oral, and then i went on top of her and came. Second time i lasted much longer, she got on top and the couch moved all the time, so i got her on all fours and shagged her hard til i came again.

Ellie has a combo, of beauty and brains, u can talk to her, or have a massage or have sex, whatever u want, she makes sure that ur wishes r met.
