### The Story:

Read ajkays review

I am a regular client of executive escorts and every girl I have met to date has been absolutely first class.

I think it would have been more appropriate perhaps if ajkay had spoken to Sky who runs the agency. She has a way of sorting these things immediately - and in my experience he would have been more than satisfied with the results!

In any event, I think that Jasmine has now left the agency - which I assume is Sky's own brand of maintaining "quality control".

Sky maintains very high standards and whilst ajkay must have been unlucky, it seems like the matter has been dealt with.

Don't let it put you off the Executive Escorts girls - I promise you that without exception they are first class ladies!
