The Story:

I made a special effort to visit Sandy and boy was it worth it.

She makes you feel at home. I was offered a drink.

We sat by the fireplace so warm and cosy.

We talked about various things and as we were doing this we got closer together. WOW the anticipation was so thrilling.

Soon we kissed and I kissed the name of her neck. I think she really like this.

In the bedroom we engaged in Oral bothways and sex in various positions. She has such a smooth skin, soooo touchable.

It was simply one of the best experience I have had for a long time.

Sandy does not engage in Anal or water sports or anything kinky.

But I dont care for such things anyway!

If its the last thing you do, then visit this lady she is amazing.
