The Premises:

A well established parlour well run welcoming and safe. All of the ladies available have pictures on display to inform your choice. Offered a shower, tea and mince pie before being lead to a reception area to await the arrival of your lady.

The Lady:

Having seen the display of pictures of Porsche on the wall I was thrilled to see the that the real thing was even better than I could have hoped. Porsche was natural, confident and gorgeous. No good on ages or sizes. My philosophy is a beautiful girl is a beautiful girl and the more natural she is the better.

The Story:

Porsche went through the menu and I chose to have everything offered. A soft sensual massage both front and back followed by reverse massage and reverse oral. On to the couch for my treats covered oral, sex and hand relief to finish. Over to quickly but a fab time with a lovely lady who I hope to see again real soon.

Only criticism is the couch in the room instead of a bed but hey you can't have everything.
