### The Premises:

Hotel in norwich, safe and good parking nice and easy to slip past reception. Laura uses different location and I have attended 2, both of which were good.

### The Lady:

Laura is mid twenties, blond highlighted hair, about 5ft6 great figure and very well toned size 10 figure.

### The Story:

I have seen Laura on a number of occasions now and each time has been a first rate experience. Laura clearly loves what she does and this comes through every minute of the appointment from the moment you walk in. Lots of kissing, OWO and great sex. There is lots of debate about gfe but Laura delivers in abundance. Eye contact and that incredible smile (and cheeky grin) is there throughout. Thanks for putting a smile on my face Laura.
