The Story:

Anastasia has the sort of body that you want to run your hands over: voluptuous but firm. She was dressed in erotic underwear and was a pleasure to unwrap.

I am attracted by girls reviewed for offering deep oral and Anastasia does not disappoint. I have met only a few girls able to take my full 9" but Anastasia managed to take down 6". She has an excellent blowjob technique, maintaining contact with her beautiful eyes, sucking and licking at just the tempo I like.

I find that a true test of a pro is how she performs on top. Anastasia passed with flying colours: excellent movement and muscle control with gratifying moaning. Her firm body is made for fucking and she was excellent too in missionary and doggy. We ended a thoroughly enjoyable shag with a porno-style facial.

She is a lovely person and I hope punters will treat her well.
