The Story:

I've met up with Pam several times now and she's always good fun. She greeted me in a leather mini skirt and a tight leather top, her full bosom straining the zip up the front, definitely a stimulating sight. Got the payment sorted and headed for a quick shower, then with a sexy hug and a flirty kiss, she reached for my dick and the fun started. She does oral with a condom (which is fine by me, and she's soooo damn good at it) , and no anal or fingering, so definitely not a girl for the likes of "whoretester" but what Pam does provide is playful GFE, more like a very horny GFE sometimes, and she does like a bout of good pounding sex, whether she's on top riding like crazy or any other position you feel like having a go at, she's game to try lol. She's top class all round.
