The Premises:

A lovely warm, clean flat tucked away in a pleasant area just outside of the city.

The Lady:

Charlotte is absolutely stunning! Really, really beautiful. Lovely full figure, soft, heaving bosom and a really cheeky grin to boot.

The Story:

This was my first time with a woman, and Charlotte was incredibly gracious, warm and understanding about it.

We chatted over champagne before retiring to the bedroom. Charlotte was wonderfully gentle and kind with me. We began with kissing, and gradually moved onto some oral and, very active sex.

Sadly, my nerves completely got the better of me and I couldn't quite finish. After some more chatting and champagne, we began to kiss and cuddle again and engaged in more oral and more sex in different positions but once again, my nerves let me down.

Despite this, I had a really wonderful time. It was a memorable and incredibly exciting first experience! Thank you Charlotte!
