### Details of Service Provider:

**Website:** <http://www.city-centre-escorts.co.uk/>

### The Premises:

My hotel in the center

### The Lady:

Great looking blonde and quite tall.

### The Story:

She arrived only a few mins late and seemed soon at home. Sorted things out and then we got down to it. She soon had me under control. Her hands and mouth were just great and once in 69 I was really enjoying it. Moved onto sex and again let her start so I could watch. Finished off on top and helped her to happiness. Lovely girl who did the trick.
