### The Premises:

usual but very empty on this cold winter morning,2 girls to choose from and i think i had already been with the local scottish blonde....so

### The Lady:

slim,20 year old darkish blonde romanian female,attractive and dressed sexily..

### The Story:

within a minute or 2 of entering the room,it was i dont kiss and i dont do owo...so obviously this was gonna be a productive line punt...so lads? can we say no and ask to return to the lounge and pick another?,without incurring a penalty fee!!

anyway ,because she was cute and young,with a near perfect teen body i continued and just let it happen..started with oral with condom(unfortunately not much sensation)then onto her on top for a few mins of sex... to be honest i had kinda lost inteerest in giving it my all and just done the dirty deed and got out..some talking while she got showered and she asked for marks outta 10..i gave 7 which i thought was generous,she was upset and oh well we all live to tell another tale again..
