The Premises:

A typical small apartment in the Paddington area (2 mins walk from station). Modern decor (think IKEA) but bathroom very very small.

The Lady:

Sometimes when you see great photos you go prepared to walk away - thinking they MUST be photoshopped or fake - in this case they are accurate and she is a hottie!

The Story:

I actually saw this lady thru a different agency (http://www.albagirls.co.uk/london_escort.asp?gid=129&gname=Anastasia) but couldn't find a listing there in PN - but I have also seen her once before thru Max's so I know it's the same lady.

Anyway, I don't leave FR's - out if sheer lazyness to be honest - but after reading 86935 I kinda felt I had to report on the service I got.

I found Anastasia to be a joy. Very sexy (but then again I like the blonde EE doll type) and all agency advertised services were available (FK, OWO/CIM, reverse, full - no idea about 'A' never asked - not my thing). Very GFE with a hint of PSE (pop from a oily BJ/HJ onto her outstretched tounge is a great memory !)

All in all an experience I plan to repeat and hopefully have another great time.
