The Premises:

Very pleasant, clean flat in a well known block in Bayswater. Very secure. Nicely furnished & better than most escort flats.

The Lady:

Very pretty, curvy Thai lady (probably) in her early to mid 20s. Apart from a different hair style, the pictures on the website are accurate. On arrival she was wearing the black outfit in the pictures & looked a knock out. One tattoo on her back.

The Story:

Firstly, many thanks to Lilly's previous reviewer. As I had not heard of this agency or seen the pictures of Lilly before reading PPaul's review, without him I would not have met this delightful and highly skilled escort.

She is cute, pretty, speaks reasonable English, is willing to try anything (well anything I could throw at her) and has a great attitude towards customer service and making absolutely sure I left happy. I had an assisted bath and tried everything on her list of services except A Levels. Missed out on the massage mentioned by the previous reviewer due to lack of time. I'm not going to kiss and tell - I'll just say I thoroughly enjoyed my time with her and left with a big smile on my face.

18 months ago there were numerous Thai girls in London (mainly on A1 Asian, Asian Escort Girls or Oriental Gems) providing this level of service and I would have considered her to be very good but would not return. Now there seem to be relatively few Thai escorts and many of them are indifferent at what they do (or maybe I have been making the wrong choices). For this reason I will be back for a longer session with Lilly as this was the best Oriental experience I have had for 9 months or more.
