The Premises:

First time in here and it looks ok. Nice reception room, girls on were friendly and happy to do the tea and coffee routine, TV wa on and wasn't playing porn or MTV, nice change. Lockers were ok but sauna and showers weren't the best.

The Lady:

Spotted Bethany from the moment i walked in. Blonde, nice figure and with a pleasant look to her. Was dressed in nice lingerie that was erotic without going near slutty.

The Story:

Went for the full works from this girls and i wasn't disappointed. Great massage skill, nice surprise there and skillful hand work when i went over for the front, brought me to attention very sharply in a nice way, her voice went from the intelligent to the damn sexy in a word, her OWO is great and gives eye contact you wouldn't believe. When her tits came out i near died from happiness, soft to the touch and not so large they frighten you and not so small you struggle to find them, nipples stood out like it was nippy in the room. Got it on in mish, doggy and spoons, paid extra to shoot on her tits and it was worth it. Great punt from this gal.
