The Lady:

Lana appeared elegantly dressed in a long coat with a very sexy dress underneath. She is indeed prettier, more elegant, than her home-made (undoctored) pictures can convey.

Lana has a Well shaped body, long blonde hair around a beautiful and expressive face. Her sparkling eyes and a sweet, subtle, and slightly naughty smile make this Lady a real head-turner. She probably silently enjoys the attention. She is a passionate person who can argue forcefully with expressive gestures, but

she speaks an articulate and educated english with only a slight accent.

Lana looks like a real good catch, and should you take her out for dinner, many gentlemen will envy you for having found such a quality partner.

The Story:

Lana is not just a pretty Lady.

Lana is also Clever, Confident, Passionate and Patient. And Very Sexy. She can build up tension over several ciggies, and is partial to a few glasses of white wine (make that a few bottles between the two of us, the roomservice guys took turns oogling her). While sipping the wine, she gave me an ever more inviting smile, and she tried to lure my gaze into her cleavage. But at the same time, she kept me at bay in between some Deliciously slow and passionate kisses.

Lana is out for fun! She admitted that she doesnt escort as much anymore. But when she does, she enjoys the game of pulling, kissing, teasing, cuddling, and the relief that comes from postponed peaks of passion that she wants to share with you. Our minds and bodies were completely tuned in, and we had an excellent connection.

She openly admitted that she did not watch the clock closely, and to be fair, she overstayed the agreed time considerably. She said she didnt mind, she was enjoying herself.

This is one Recommended Lady!

Lana is definitely not your average pump-n-dump steamy shag. Lana is someone for whom you should take ample time. Invest the mental effort to make the connection and you will find a passionate, and exciting companion.

Enjoy!
