The Premises:

Pharoah's is a fairly new parlour on a busy street, but at this time on a Sunday evening it was pretty deserted. The room was very clean with a jacuzzi and a very low three-quarter bed in the opposite corner.

The Lady:

Sapphire is quite tall, a slim size 10, a 34B bust, with long dark hair, a lovely smile and at times a wicked glint in her eye.

The Story:

Once through the front door and into the reception/lounge area the receptionist offered me a drink and I accepted a coffee. Sapphire showed my up to the room, we sorted out the business and she nipped downstairs to book me in and collect my coffee.

Once Sapphire returned to the room we started with a gentle massage of both my back and then my front. By this time the jacuzzi was ready so I was invited to jump in for an assisted bathe. Sadly Sapphire didn't join me in the tub but you can't have everything. We discussed the does and don't before I step out of the jacuzzi for Sapphire to tiowel me down.

It wasn't long before Sapphire stepped out of her dress and with me laid on the bed she began with OWO. This moved into a 69 after Sapphire had removed her panties before the condom was rolled into place and we had sex in missionary. We varied the paced a little for the next ten minutes or so, with Sapphire pulling me deeper into her a few times, until I could hold out no longer and filled the condom.

The rest of the time was spent with me in the jacuzzi bathing whilst Sapphire sat on the edge of the bed occasionally flash me a glimpse of her pussy. Sapphire is a lovely friendly, chatty lady and was great company for the hour.

The only small disappointment for me was that there was no second service. Maybe I've just been spoiled by the other establishment I've visited where this has been the standard for a one hour booking. This is not Sapphire's fault and should in no way detract from this report on her, however it

maybe a point the management would like to take onboard for consideration.
