### The Premises:

Ground floor in a residential street - directly opposite another parlour funnily enough. Very clean and well kept. Room was clean and well kitted out with proper massage bits. Heating could have been slightly higher - but it was a particularly cold day.

### The Lady:

Tall, long dark hair, big breasts. Pretty and friendly.

### The Story:

Good massage for 80% of the time, at the end of this, it turned into a very good HJ with a lot of touching.

Highly recommended, and I actually enjoyed it a lot more than a lot of FS I've had.
