The Premises:

Abbi's flat is new and she's only been there for 3 weeks. I have spoken with her before but where she lived was a little far for me to travel. Now she's in Islington, it's just 20 mins by train. Lovely flat and a nice welcome from Abbi when I got there.

The Lady:

Abbi is a sexy girl, age about 25ish. Has a sweet sexy sort of French undertone to her voice. Makes her look and sound an extra bit sexy as far as I'm concerned. Nice size tits and lovely pussy. Did I mention the great arse??

The Story:

I had met Abbi once before at a party she was at with 2 other girls. For me she stood out and I was looking for a one to one with her as soon as I new of the move from Colchester had happened. Abbi loves to kiss and we had lots of that to start with. She has a lovely body and great tits, a sexy arse and a sweet tight pussy which she loves to be licked. All in all my hour was full of fun and will be going back before Christmas for deff. No clock watcher and well worth a punt guys. So to sum up.. Lots of kissing, owo, rev oral, 69 and covered finish...!!
