The Premises:

She went to my apartment.

The Lady:

Beatiful face, seductive eyes, fantastic body. She's much beautiful in person than in her pictures. She has soft skin and really smells heavenly all over. Natural tits and nice ass.

The Story:

Vicka was very friendly. She makes me feel comfortable the first time we speak to each other. She has a very pleasant personality and very intelligent as well.

We started our time over a glass of wine. She is a good listener and really nice to talk to. When she felt that i have already comfortable with her, she started teasing me with her eyes, very seductive. Then we started kissing, fantastic, deep french kissing. Then she ask me if i would like to show her my bedroom. She started undressing, slowly and seducing me. Then we kissed again and she gave me an extra ordinary OWO, hot and wet mouth of hers was making me really crazy then we did it in many positions, she enjoyed every minute of it and the best part of it is that while doing it, she looks at me with those seductive eyes and really it's worth every minute of it. My 2 hours is well worth it. She's has done everything i could possibly have imagine, everything that states on the web site.

What makes Vicka fantastic is that she is not only fantastic when it comes to sex, she is someone you can also speak to, she's really very friendly. Treat her nice guys, seldom you can find this kind of breed. I will make sure that i will get her services soon.
