### The Story:

Started with a nice oral covered lots of eye contact and a wicked tongue then on to sex the beautiful sight of Jenny riding me cowgirl was worth every penny then we changed to doggy this was nice and after a bit I got her to raise and lower her pussy on my cock while I stood at the side of the bed and after about 10 mins of this I couldn't hold back any longer and just held her arse on my cock as I come inside her tight pussy she then cleaned me up and I had a quick shower in the spotless bathroom with lots of clean towels got dressed a quick kiss and I left a very happy man she works every Saturday and will be going back next time for an hour
