The Story:

This was a bit of a lastminute.punt as my first choices were not available. I prefer to do pre-researched punts

However, visit was worthwhile. Suzi is a pleasant, compliant girl with a toned physique. She performed decent OWO, although needed a bit of encouragement to continue rather than moving too swiftly to the condom. I thought she was an excellent f*** with good movement and satisfying moaning. When I was finished I looked at my watch and realised I was just over 30 minutes in. A bit more play and oral at the beginning would have been nice but Suzi is a nice girl.
