### The Premises:

Easy to find - great parking even at Xmas

### The Lady:

Just simply the most beautiful stunning frinedly lady with the greatest body I have ever seen. The softest skin, the most perfect breasts and best sweetest lips i've ever kissed (Yes I iked her a lot!)

### The Story:

Had an amazing time with an intelligent sexy lady who knows exactly how to please. Anyone will loose themselves as you stare into her deep eyes as she gives the softest Oral, then onto some great intense sex - if only she was in MK all the time - i'd consider moving.

Hope you enjoyed your Xmas Shopping Val, You certainly gave me a christmas present that I'll never forget.
