The Premises:

My place. I gave it a bit of a rush job clean up before hand.

The Lady:

Excellent. Slinky black dress upon arrival

The Story:

No rush, no clock watching. Genuinely enjoys the job and wants to do nothing more than please! This girl is SO smooth, in terms of personality and physically smooth skin!

No details. But I got everything I wanted and more. A great GF experience that really made me consider paying for more.
