The Story:

Jan?s Field Reports are all very complementary and are one of the reasons that I have been trying to get to see Jan for a long time. I finally managed to get to see her and it was well worth the wait. Jan is a very sexy lady who genuinely appears to like her work.

Without going into detail, I left her company a very happy man and one who will definitely be visiting her again. Jan is a complete star who provides the most memorable and enjoyable service.
