The Story:

Was kind of bored today, and have decided to visit one of the escorts to make me feel better. Anyway, i came across one directory, where i saw Erica with price 130! I checked where else she works, her price was everywhere 150. So i thought why not!

I have arrived a little bit late. But when Erica open the door and i saw that warm smile, She made my day! I felt like i wanna stay with her all day long. (if i could pay for it) She speaks very good English, but we didnt have time to talk much. After a quick shower, i came to the bedroom, where she was waiting for me already Naked! I've lost all my words, cos the front of me was young beauty! She started to kiss me all over my body....that folows with BJ! I asked her to change position for 69, as i wanted to taste her too. Which i didnt regret after i did it! After she rides on the top of me, so i couldn't keep any longer. Also, we did second time, as was BJ with CIM, which i was kind of surprised, for what money i have paid!

Great girl, warm smile, service - 100% worth to pay for it!
