### The Premises:

Just off town centre opposite busy car park which was full but others are within a short walking distance. Premises are "homely" and clean & tidy.

Entrance door directly off street, no one in street seemed to take any notice of my entrance.

I had pre-booked but Rachel also accommodates walk-in clients.

Two massage rooms and separate shower is available.

### The Lady:

Rachel I guess is in her thirties, she is a chatty & friendly lady who quickly put me at my ease, she is no bimbo fashion model, but has a wonderful pair of breasts with rock-hard nipples. I was offered a shower and a menu of services ranging from a straight massage for ??25 up to a full body to body massage with breast relief for ??50. Also the offer of a four handed Massage. Please note that full sex is not on the menu.

Other ladies are available according to the day & time.

### The Story:

I opted for the reverse massage at ??40 (I had already paid a ??30 room charge for the hour)I climbed aboard the table and Rachel stripped totally naked except for black stockings, I had a very professional 30 minutes or so back,leg & neck massage, followed by by some wonderful "teasing". I was offered the opportunity for the reverse massage but was so carried away by this time that I lost track of what I was doing, I experienced everything I had anticipated and more, Rachel was extremely cooperative & accommodating with all my requests and only said "no" when I asked for oral & fs. The lady certainly knows how to press all the right buttons,she took me to new heights in a tantalising, titillating unhurried manner - it is quite some time since I have experienced such an erection and climax.

Cleaned up showered and departed, Thank you Rachel
