The Premises:

Nice and clean, very central MK and safe.

The Lady:

Gorgeous stunner! It's a cliché, but the photos do not do her justice at all. She's around 5'7", lovely long blonde hair, huge but very pert and firm pendulous breasts with great womanly curves yet really toned without an ounce of excess fat on her. Seriously hard to imagine a more attractive woman.

The Story:

Suzi was very warm, friendly and gorgeous throughout. She entered the room wearing minimal clothing which showed off her lovely figure. The hour whizzed by and involved lots of lovely tender kissing and stroking one-another, plenty of DATY, licking and playing with those gorgeous breasts and stimulation by me on her. She certainly seemed to enjoy what was going on and was very encouraging. By the time it came to the deed, well I was turned on like hell and missionary seemed really appropriate as was this wasn't a raunchy wham-bham meeting, more like a GFE and it was exactly what I was after. Kissing continued throughout and then more playing afterwards.

She's interesting to talk to and clearly intelligent. Unfortunately she's only around until Jan 5th, so she told me. So, make a quick move guys.

I would definitely return.
