The Premises:

Late 60's council house on outskirts of town. Area seemed OK. Felt safe enough. Kitty told me roughly where it was and then final instructions when I was close. Inside it was a home with lots of stuff about - like most homes. Upstairs the bedroom was clean and tidy - obviously a sanctuary!

The Lady:

Just over 5' tall (Quite a lot less than me!) Blonde permed hair. Very petite. Answered the door in black suede boots, short black skirt and white blouse. More about her below

The Story:

We went straight upstairs. did the paperwork, then standing, stated to kiss. and caress. felt her bum through the skirt which was a portent of things to come - it felt very nice. I slowly unwrapped my Christmas pressie and yes, it was a nice tight peachy bum. Small tits with huge nips, nice shaven pussy.

Well we got down to some kissing, nipple sucking (both sets!) Then down to a lengthy 69 session, which I love. Finished off with cowgirl and then cuddle and kiss while we recovered.

Lovely time with lovely lady. and a cute bum!
