Safe location nice and easy to find, place was spotless, nice and comfortable with everything you will need.

The Lady:

Bonnie is a petite girl and describes her self very accurately as a pocket rocket! Long dark hair, green eyes, around 5ft and appearance of late twenties. Lovely body, I?m not an expert but around size 8 with a very nice bum!!

The Story:

I have been chatting with Bonnie in the PNet chat room for while and had planned a visit for my first punt of 2009 but in the end decided i couldn't wait and Bonnie was more than happy to accommodate me pre xmas.

Due to some fun chat my expectation of the meet may have been unfairly high on Bonnie but i have to say these expectations were truly surpassed. From the smile and kiss when i arrived to the one when i left it was a superb experience. From tantalising tease through body to body massage, superb oral and great sex Bonnie does it all to a great standard and loves every minute of it.

Bonnie responded very well and delivered a true 'gfe' with lots of great kissing in addition to some very raunchy sex. Treat her like the lady she is and you will not be disappointed

Thanks for a great time Bonnie and see you again very soon x
