Good location safe, clean and tidy. Good parking free and opposite

The Lady:

Website deescription accurate and pictures are of her. As another punter describes her she is a substantial girl but not fat. Skin rather paler than pics age and stats accurate. Has a couple of pieceings on nipple and belly button

The Story:

Good punt. She is an aggressive kisser and all services delivered well. Started with FK then moved to face sitting and RO. Before she moved to OWO she made sure the old man was clean which in my case hurt as only being partially circumcised she pull the skin rather too far down. Then moved to 69 and some good sucking - she can suck for england. Then moved to her on top (on with the raincoat). Finishing up with CIM. Chat afterwards as the old man was not going to make twice. Good punt recommend. I prefer larger breasts so would not return this is no reflection on the service which was good.
