The Premises:

Ashas place was very easy to find tucked away in a side street near Angel station, an area i'm quite fond of, no problems there.

The Lady:

A petit, curvy indian lady with amazing eyes! There aren't too many indian mistresses out there to be honest so for somebody with a penchant for Indian Women (as well as older women) she's not far off perfect!

The Story:

This was a pretty standard domination session covering various activities. In truth i'm quite green on the scene but Asha did her best to put me at ease as she very expertely took me through the session. Very chatty and friendly lady as well, highly recommended for domination fans!
